

## *It's Cindy-O Drag Race Weekend!*

Cindy-O Drag Race weekend provides the most fun you can have with your clothes on at Oneida (even if they are women's clothes). The "race" will start at site number 1 (Michael Eller's) directly across from Club "O" at 1:00 p.m. After the obligatory group pictures, the first "rest stop" will be right there at Michael's (we tire

easily). From there we will do the loop. It usually takes 2-3 hours to complete the grueling 1 mile course. The race will end at Club "O" where everyone still standing will be eligible to compete for Miss Campy "O". We know that there will be a lot of competition for the coveted crown!

respectively. The sashes were designed and made by a dear friend of Oneida and the back patches were designed and made by Anthony Minson.

Barry Pointen, Sr. and Heidi Pointen were awarded the first runner up medals.

*Oneida's Royal Family*

All four were judged by leather titleholders - Sir Rick Daley (Northeast Leather Sir 2007), Sir Cliff Pinner (Mr. Hillside Leather 2009 & 2010), and boy Hurley Reese (Oneida leather boy 2009). Boy Ken served as Judge's boy, Oneida's own Joe Fischer & Robert Dodds served as Tally Masters, and Hilary S. Napoleon-Williams (Mr. Ebony Leather 2001), officiated and kept the contest moving as the Master of Ceremonies.

Aside from the contestants' very original fantasies, entertainment for the evening featured Miss Oneida 2012 Miss Adriana Gomez Correa, Miss Columbia Oneida 2012 Miss Angelina Vaquero, Veronika Lake, Stevie G (Mr. Oneida Leather 2000), and of course the annual poem written and delivered by Miss Edna Beehive.
