Thanks to
Councilman Bob and
Bob & Mickey for a
Great Saturday Night.

The food was great and there was an abundance at last Saturday's opening night dinner. Thanks goes out to Councilman Bob for providing this spread for our campers. Bob and Mickey's cocktail party was a great way to top off the dinner. It didn't seem to end though and some of you certainly were missing in action on Sunday. It's amazing what 20 or 30 lemon drops can do to a person!

It's an odd weekend for camp clean-up, but we always open in the middle of April and Easter just happens to fall late in the month. There will be projects for those who are interested. The projects will depend somewhat on the weather. We have lots of outdoor projects, but if it rains...

The weekend will not only be work. We plan projects only for Saturday during the day. Saturday at 6:00 p.m. there will be a dinner at the disco. So far we have Ham and Turkey, sweet potatoes, scalloped

potatoes, stuffing, and pie. We could use some vegetables, salad, and maybe some more dessert. If you feel so inclined, plan to bring these items to the dinner. In checking around, it looks like we will have at least 15 people for the weekend. There may be some more surprises as well. There has been talk of an Easter egg hunt Oneida style.

If you plan on helping with projects, meet at the disco at 10:00 a.m. on Saturday.

Office Hours

The office is now open regular hours.

For Sale

Trailer, Deck, Golf Cart, Shed and much of the contents of the trailer. Can be seen at site #78. For more information check with the office. All in excellent condition. Asking \$15,000

Next Weekend

Next Weekend's theme is Frontier Weekend. There will be a Chili Cook-off at the Disco on Saturday afternoon at 5:00. The best laid plans do often go astray! We originally planned to bring in square dancers and have a barn dance on Saturday night. Unfortunately this seems to be a major national event weekend for gay square dancers and so none were available. Instead, we will have country-western music at the disco on Saturday night. (Don't worry! It won't be only country western!)
