

## Thanks For a Great Season!

Tony and I would like to express our thanks to our seasonals for another great season. We've gotten a number of new seasonals this year and they have made some real contributions to the campground. A special thank you goes out to "Miss Eddy" (Ed Neri) for volunteering his time on a number of projects and to Bryon Tharp (a.k.a. Helmut or Edna Beehive) for his stonework on the triangle. Thanks also goes to everyone who helped with the clean-up after Irene--especially to Jay and Bryon for the clean-up at site 50. Thanks also goes out to Jake for his work on Bear Weekends, and to everyone who hosted parties and helped make this a memorable season. Chris & Mark coordinated events and shows and decorated the disco for our events. Thanks to our staff who helped keep things going even through a hurricane. Joe was able to get power back up and running in record time, Vince had the often thankless job of cleaning out your tanks and getting wood for the disco. Martini Tim kept the cabins

clean and neat throughout the seasons and Randi (Veronika) and Gordon manned the office throughout the season. Jon (poolboy Jon) kept the pool clean and made sure you had a hot tub available every Friday and Saturday night and finally Paul for being our Fire Nazi and getting a fire going at the club every night the club was open rain or shine and to Bob Dinsmore who kept the disco spic and span through it all. Check the website in January for next year's calendar of events. If you are not a member of the Oneida Seasonal site at Yahoo, please make sure to provide your email address at the office and we will make sure you get an invitation to join. If there are any special activities e.g. New Year's Party, winter weekends, etc., this is how we will notify the seasonals. If you need anything over the winter, you may call the camp number and leave a message. We will be monitoring messages daily, but the office closes at 6 p.m. this Sunday!

## Pipeline Workers are Off-Limits!

The pipeline workers renting the lodge and trailer sites on the field are off-limits! They are all great people, but they are STRAIGHT! By all means you may talk to them and be friendly--BUT DON'T BE TOO FRIENDLY!

## Office Hours

Friday and Saturday 10 a.m. - 11 p.m.  
Sunday 10 a.m. - 6 p.m. October 16.  
Office closes for the season on Oct. 16

## Thanksgiving Dinner

The Thanksgiving Dinner to be held on October 15 at the disco is meant primarily as a thank you to our seasonals. In the past there have been so many non-seasonals in attendance that some of our seasonals have had difficulty getting seated. As a result, we have required the seasonals to sign up in advance for the dinner and provided them with wristbands. Guests will be given a different color wristband. Those seasonals with purple wristbands will get first shot at seating. We have 50 seasonals signed up. All other seating will be on a first come-first served basis! If you are signed up for the dinner please be there at 6 p.m. sharp with your wristband on or suffer the consequences!
